

This week has been jammed packed, the learners have really enjoyed making their papier Mache heads (these will eventually be a self-reflection of themselves) which they will continue to do next week, they have made the most amazing cerise au amande gateau (Cherry and Almond cake). They have planted more seeds this week which include, Cauliflower, Broccoli, Strawberry's, Snapdragon's, and nasturtiums. The runner beans are doing very well and are already 23cm high and climbing up the canes. Everyone really had fun in drama this week as they chose their own dance moves. Also, we have cleared the recycling for the week.

Newsletter 17th- 21st May
