TERM 5 WEEK 2

(26TH-30TH APRIL)

What an enjoyable week we have had here in M1!

We have been lucky enough to have spent a great amount of our time getting out and enjoying what sunshine we have had.

We have:

- Had walks to Sainsburys, mid-morning dog walks and walks around the college gardens.
- Visited Polhill garden centre to buy some plants for our vegetable patch.
- Completed a self-portrait collage and a Matisse inspired snail picture in our Art sessions. All of which look amazing!!
- Made, prepared and cooked pizza in our cooking session. Eating the pizza is our favourite part!
- Visited the field to feed the animals and to give them a brush and a pet.
- Joined our friends for communication club.
- Participate in the drama session where we learned about facial expressions and body movement.
- Enjoyed a walk to the park, the swings and zipwire were a great hit!

We hope you all have a wonderful bank holiday weekend and look forward to welcoming the guys back on Tuesday 4th May.
