

Newsletter 3rd - 7th May

It feels like a very short week this week, but the learners have still managed to have a busy few days.

This term we are studying 'France' and keeping to that theme they have made self portraits in the style of Matisse and shopped for ingredients to make 'Poulet et gambon' crepe for lunch. (Chicken and bacon)

The new chickens have been a big hit and collecting eggs is one of the highlights of the week. There are more chickens arriving over the weekend and we're hoping to increase the egg production.

The sunflower competition has made for a very competitive spirit around the college but so far ours are the tallest.
